February 2♥1♥

A Community with He♥rt & Soul!

Once again, our wonderful community has opened their he♥rts to FISH of McHenry Food Pantry. In a time when households and businesses are financially challenged, we are overwhelmed by the generosity of both monetary and food donations that were given to FISH this past year. *Thank you one and all for coming together to lend your support!*

Catch of the Day!

Meet Joe...

Joe has been a dedicated volunteer each week at FISH for over 18 years. His wife, Eileen, was also a loyal volunteer, though, she decided to retire a few years ago. He is especially proud to have encouraged both his children & grandchildren to also lend a helping hand to the Pantry over the years. Joe always shows up with a smile and a twinkle in his bright blue eyes!

*Thanks, Joe,
from your friends
at FISH!*

Pass It On...

The Winter Olympics Games are just around the corner. A time where all nations join in unison to compete in various challenges. The Olympic torch continues to remain lit for the entire two weeks until the closing ceremony.

Unfortunately, the adults and children we serve at FISH of McHenry Food Pantry face the reality of the daily challenge of hunger. With the rise of unemployment and loss of housing, we are sadly seeing a significant increase in clients. Even though FISH received an outpouring of contributions over the holidays, our clients are served monthly every Tuesday & Thursday throughout the entire year.

Whether it is for a memorial, birthday anniversary, or any special occasion, please remember FISH of McHenry Food Pantry as your charity of choice.

Your donations will help to keep "our torch" burning all year long.
