Ah Spring.....a season full of celebrations, all of them reflecting the beauty of renewal in nature and genuine hope for a new beginning. Longer days and the additional hours of sunlight are enough to convince even the worst pessimist that Spring is finally here! Rain nourishes the earth and the sun calls us to celebrate the feisty beauty of crocuses that relentlessly bloom each Spring despite the daily problems of the world. Poverty, financial woes and, for the clients of FISH Food Pantry, hunger. As the lines of unemployment grow, the lines of struggling adults and families in need of food continue to grow at FISH.

Our mission at FISH of McHenry Food Pantry is to serve our neighbors by giving them some relief with basic everyday needs and offer hope for a new beginning.
