Introducing... Our New Director,

Andrea Franzen

"I have been a resident of McHenry for 17 years and a volunteer at the Food Pantry for 4 years. I've always had an interest in food, nutrition and education and received a B.S. in Food and Nutrition. Our family formed "Tractors for Charity" to help feed the hungry in our community which raises \$15,000 a year for the food pantry. I love working at the pantry because of the much needed service it offers the community and because of the fun, hardworking and caring volunteers that work there! I look forward to continuing the mission of the food pantry along with my co-directors Pam Peters and Cindy Chicoine, and with the help of our existing staff, new volunteers and the generosity of our community."

 ~ Andrea Franzen

*to all who participated in the Post Office Drive. We received a total of **12,000 lbs** of food!*
